Week 2 Spring Term 2

MESSAGE FROM FARZANA

It is another busy week at Newlands! On Tuesday we had our termly fire drill to ensure we practice how to evacuate safely in the event of an emergency and all children did very well with this surprise event – thank you to all supporting adults.

Thursday is World Book Day where we can celebrate our love of reading and recognise the work being done with Phonics in school. We would also encourage you to keep reading at home with your child as we know many of you do. Please keep checking your Class Dojo and Earwig updates as there is a lot of information about your child's learning and progress on both of these.

If you have any questions or would like to get in touch, you can always ring the school on 0161 655 0220 or email the school office (office@newlands.rochdale.sch.uk).

Kind regards from Farzana.

OUR LEARNING

What a fabulous World Book Day we had here in school!

It was lovely to see so many outfits and costumes, and there were lots of favourite books brought in to share with our friends.

All our classes worked to produce a class book, and these are now in our entrance for everyone to see and share.

How to access the Neurodiversity Hub – Update February 2024

It is no longer necessary to fill in a 'Getting Help' form to access the Neurodiversity Hub for parents/carers or professionals and **these forms will no longer be screened by the team**

How do I access the Neurodiversity Hub

Coffee Mornings/Afternoon

- The easiest way to access support from the Neurodiversity Hub is by attending one of our **coffee sessions** to meet the team and discuss the support you require. Sessions are held across Heywood, Middleton and Rochdale. Details of these sessions can be found via our Facebook page **HMR Neurodiversity Hub** or can be accessed via the local offer website.

Telephone Advice line

- If you are unable to access any of our coffee sessions, the Neurodiversity Hub team will be setting up a **telephone advice line** for parents/carers & professionals which will take place on **Tuesdays** starting the **13th February 2024**
- Please call **0161 206 0606** between 8am and 12pm on a Tuesday morning. You will then be added to a 'call back' list and a member of the team will return your call between 1pm and 3:30pm Tuesday afternoon. Please note—there will be a set amount of telephone appointment slots each Tuesday and these may fill up quickly. If there are no available slots please call us again the following Tuesday.

Professional Support/Guidance

- If you feel that your concerns have not/cannot be addressed through universal and targeted services or hub support and you think specialist level assessment/input is required, please refer to the Community Paediatric Service for children Under 5 and the CAMHS service for children over 5.
- For children under 2 years old who are demonstrating delays across their development please refer to the Community Paediatric Service, as appropriate.
