

Newlands School

We can and we do!

NEWLANDS NEWS

19th April 24

Week 1 Spring 1

MESSAGE FROM FARZANA

A warm welcome back to school for the summer term!

This week, we asked if any parents or carers could join us for our gardening group on Tuesday afternoon, thank you to those who attended. Our after school Circus Skills Club has now moved to Wednesdays after school so you should already have full details of this if your child is involved.

Our staff team have been looking at the Unicef Rights Respecting Award which will support pupil voice and well-being. This award is about putting children's rights at the heart of school life. It incorporates the UN Convention on the Rights of the Child (UNCRC). Here is a link about this if you would like to find out more

<https://www.unicef.org.uk/rights-respecting-schools/>

If you have any questions or would like to get in touch, you can always ring the school on 0161 655 0220 or email the school office (office@newlands.rochdale.sch.uk).

Kind regards from Farzana.

THIS WEEKS SUPERSTAR AWARDS

- * Logan - Yellow
- * Katie - Indigo
- * Maisie - Gold

Attendance Matters

Every Day Counts....

This week's attendance is: 94.10%

Our topic this half
term is:

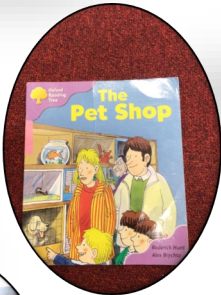

EYFS & KS1—
Native Animals

KS2—In the Jungle

OUR LEARNING

Our topic this half term is “Animals”, so this week in Green Class we have been thinking all about pets-and animals that might live at our houses. We started the week by reading the book “The Pet Shop” and thought all about the different animals we could have as pets. We then matched animals from the story to their pictures. We had a visit from Butter the rabbit and talked about the different things we need to do to keep our pets healthy and safe. We talked about what happens to animals that are feeling poorly or unwell and dressed up as vets. We used stethoscopes to try and find out how we could make them better!

We then went to visit “Manchester Pets and Aquatics Centre” and looked at all the different animals. What a busy start to the term we have had!

OUR LEARNING

During our maths session this week, Indigo Class have been working with money. We have been asked to recognise and name different British coins and have played games to make sure we know the differences between the ways coins look and that we can recognise coins on both sides.

An Indigo Class pet shop was also set up and children were given money, asked to select the pet or equipment they wanted to buy and exchange the correct coin / coins for their item. If they did not have the correct money, children were asked to note which change they should receive.

Excellent work Indigo Class

Well done
